

ST. ANDREW'S PRE-SCHOOL NEWSLETTER

September 2010

FROM THE DIRECTOR'S DESK

Welcome back to school! We are so glad that you have entrusted us with your beautiful children! Thanks for sharing your gift with us!

As you can see and hear when you walk in our building, there is a lot of adjustments going on. Our staff is working extra hard to make sure each child adjusts to their new faces and routines. Each child is different and will adapt at different paces. It always takes a little longer for the two day a

week child to adjust than a three and five day a week child. By the end of the month you should see a big difference in each child and their routine.

Please be aware that we are working diligently to keep everyone well and ask that each of you take the necessary precautions also! Lots of hand washing and sanitizing is being done several times a day! Please let us know if your child comes down with any communicable diseases. It helps us combat a problem before it starts.

This is going to be a beautiful year! Every staff member is prepared and ready for action!
